About Liberty Life

- **Welcome to Liberty Life— the future of decentralized finance (DeFi) and peer-to-peer cryptocurrency transactions.** We are a pioneering project committed to revolutionizing the way people interact with digital assets, with a strong emphasis on decentralization, community empowerment, and innovation.
- We believe in democratizing financial services and empowering individuals to take control of their own wealth. Unlike traditional cryptocurrencies, which are primarily traded on centralized exchanges,,
- **Our DApp ecosystem offers a diverse range of opportunities for users to earn Liberty Coin [LBTC] through various activities such as providing liquidity, staking, and participating in community governance.**

Liberty Life

USP of Liberty Coin

▶ Liberty Coin cannot be purchased from any exchange. it is earned only through our decentralized application(DApp) ecosystem, means no one can ever manipulate Liberty coin.

▶ The game of pumping and dumping which happens in other coins could not be played here.

▶ Coin holders have the freedom to sell (swap) their LBTC assets directly on PancakeSwap (DEX).

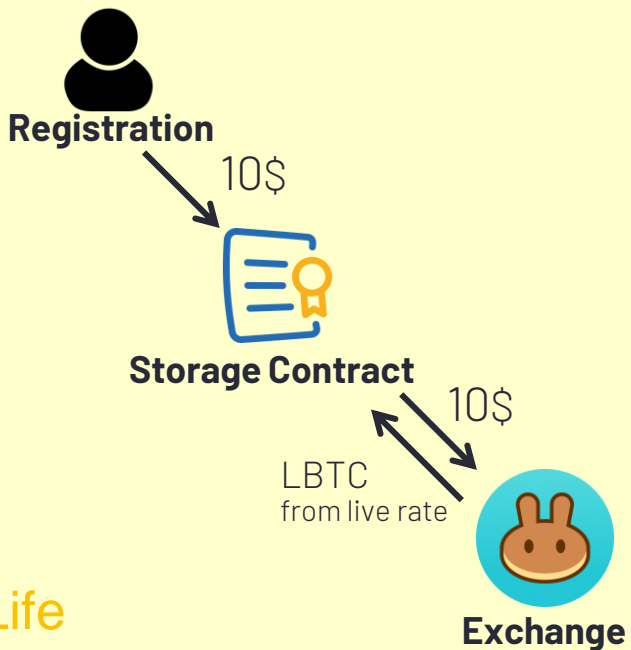

Registration

Registration charge
will be \$10 per ID

Why Registration charge?

- ▶ Only trusted users will come on the platform, fake and dummy users will stay away.
- ▶ For every \$10 the smart contract will purchase coins from Pancake and store them with itself, the rate will increase as more registrations happen.
